CASE NO. A-0426:32

DECISION NO. 95-108

### NOTICE OF STIPULATION

The Board, meeting at its offices in Concord, New Hampshire, on October 26, 1995, took the following actions:

1. It reviewed the unfair labor practice (ULP) complaint filed by Hillsborough County on behalf of its Nursing Home on August 10, 1995 which alleged a violation of RSA 273-A:5 II (f) and (g) resulting from the Union's attempting to process a grievance after the County eliminated meals for certain of its employees in this bargaining unit. It also reviewed the Union's answer which was filed on August 17, 1995.
2. It convened a hearing for purposes of permitting the parties to make their presentations relating to the above ULP. At the commencement of that hearing, the parties offered the following stipulation for the PELRB's consideration and adoption:

Whereas ULP charges involving the identical issue of the discontinuance

of meals provided to certain employees of Hillsborough County were filed by Teamsters Local 633 against the County on July 31, 1995, heard by the PELRB on October 2, 1995 and are pending decision, the County and the Union in this case agree to be bound by the decision in the Teamsters case (Case No. M-0703:1, Decision No. 95-98) and waive opportunity for further hearing in this matter.

3. The PELRB accepts and adopts the foregoing stipulation of the parties.

So ordered.

Signed this 7th day of November, 1995.
